Profile: With over 30 years' experience working in various positions in the film industry, I have experienced all forms of production: feature film, TVC, music video, short film, and documentary.

As a First Assistant Director I have been fortunate to work with some of the most highly regarded directors and production companies here in Australia and internationally. My work has taken me to dozens of countries around the world and every state in Australia. I have dealt with countless challenging locations and demanding schedules.

I endeavour to bring to each production, a keen eye for both the needs of the creative and for the production team. Through clear communication, inclusiveness, and good humour, I strive for the best outcome for all involved.

Education

Tertiary: Completed 1990
