WENDY BANNISTER ADVERTISING AND EDITORIAL STYLIST

.....

WENDY BANNISTER, Melbourne-based independent stylist, has successfully created magic for her clients for over 18 years. Her work speaks volumes, her reputation is faultless and her passion for her craft is exceptional.

Style is in Wendy's DNA. She is immersed in trends, habitats, colours and beautiful objects, so that she connects her clients to the very latest innovations and creations. Wendy has conjured exquisite stylings for print media, for television, for costume and set design.

Wendy has styled numerous TVC's working on both wardrobe and costume design as well as styling sets and sourcing props.

Her role as resident Melbourne editorial contributor on *Home Beautiful Magazine* is testament to her expertise and experience in creating all manner of imagery.

An arts graduate (BA Fine Art), Wendy maintains the key to her connections with style through her love of travel, food, fashion, art, architecture and nature. From these she draws daily inspiration for the invention of the new, the beautiful and the extraordinary.

Creating unique wardrobes, props and scenes to suit a specific brief is her favourite challenge. Crossing effortlessly from home lifestyle to fashion, from still life to broad horizons, Wendy can create, locate, craft or invent your next visual statement- from the sublime to the surreal.

She approaches every project intent on creating the right visual solution for her clients with a trademark sunny disposition and a passion to deliver the best result.
