PROFILE SUMMARY

With proven experience in managing a range of commercials for a variety of clients, agencies, and platforms, My strengths include being a highly organised and detail-oriented individual with the ability to manage both small and large-scale productions across Australia. I am well-versed in budget and finance management, work well under pressure, and excel at problem-solving. My friendly and bright personality lends itself to easy collaboration. I am interested in working in all areas of production from production management to production co-ordinating.

SKILLS

- TVC budgeting (Showbiz and Excel)
- Production timelines and schedules
- 2nd and 3rd Assistant Director duties (Call sheets, shoot schedules, managing cast/extras on set)
- Agency and client management
- Crew and gear booking
- Location permits
- Compiling director treatments, pre-production documents, storyboards, decks
- Broadcast - Classification (CAD) and despatching commercials (Adstream, Peach)
- Post-production management: offline, online, grade, sound recording and mixing, VO casting, stock and music licensing
