and many more...

I also have a strong knowledge of Prosthetics, Blood FX, Prop Making and Mould Making. Over the past few years I have constructed Special FX props for *Cut Snake* (Feature), *Partisan* (Feature), *Rescue: Special Ops*, *Rake*, *Deadly Women*, *Panic At Rock Island*, *Neighbours*, *Packed To The Rafters* and *Home & Away*.

Additionally, since 2012 I have been producing breakway glass bottles and panels for various film and tv productions across Australia.
