GIORGIO ARMANI SI x 3 - CATE BLANCHETT

PHILOSOPHY

- Filming – how fortunate am I work in such a marvellous creative environment? My philosophy? There are no problems, only solutions.
- I am flexible, a team player, and I have a positive, calm, happy disposition.

OVERVIEW

I have filmed the world over - in places as diverse as the UK, France, Belgium, Turkey, Thailand, Fiji and the Solomon Islands as well as our beautiful 'backyard', Australia and New Zealand.

- Flying, boating, and filming on glaciers, lakes, oceans, mountains and islands
- Working with world class actors, scientists and athletes such as Cate Blanchett (3 Armani Si Campaigns), Rebel Wilson, Anya Taylor-Joy, Sam Neill, Miriam Margolyes, Poppy Lissiman, Professor David Gruber, Steven Adams, Israel Dagg, Nelly Korda, Sophie Pascoe, Kurt Fearnley, Sally Fitzgibbon, Mick Fanning, John John Florence, Gabriel Medina, Chloe Covell and Sierra Kerr
- Having the opportunity to work with a variety of directors and photographers such as Versus, Noah Marshall, Gary John, Sarah Adamson, Rebel Wilson, Gia Coppola, Nash Edgerton, Nick Kelly, David Westphal, Juliet Taylor, Stephen Chee, David Westphal, Miles Holden, James Chappell, Henrik Hansen, Julian Acosta, Kriv Stenders, Josh Aitken, Eliot Rausch, Ben Flaxman, Dean Blumberg, Alex Proyas & Jeff Preiss and their producers: Tom Slater, Niko Aulich, Greg Fyson, Amanda Jenkins, Emma Thompson, Florence Tourbier, Linzee Rose, Christophe Nader, Lee Thomson, Josh Jenkins, Tiare Tomaszewski, Dolores Lanvin to name but a few....

HIGHLIGHTS

- Spending 3 days on a Navy Frigate from Sydney to Adelaide
- Seeing stunts come to life and everyone going home safely
- Coordinating the lockdown of six city blocks at a time
